WORK EXPERIENCE

Trinity Baptist Church
April 2026- Present

Communications Associate

As Communications Associate at Trinity Baptist Church, I manage the church's digital presence and create visual and written content to engage the congregation and broader community. My role includes photography, social media management, graphic design, print materials, email and text communications, and website editing. Through a combination of creative storytelling and strategic communication, I help share the church's mission, promote events, and connect people with opportunities to worship, serve, and grow in their faith.

RELEVANT ORGANIZATIONS

Createathon
